

ISO of COSA Annual Delegate Checklist and Responsibilities

If you would like your meeting to be represented at the ISO of COSA Annual Delegate Meeting, it is critical for your meeting to find a delegate with the skills, serenity, and wisdom to best represent the group conscience of your local COSA meeting. You will need to begin the process as soon as possible.

Delegate Meeting Agenda

The meeting may include any of the following:

- Vote on the International Service Organization (ISO) of COSA's annual budget
- Vote on new literature
- Hear proposals from delegates or board members
- Elect new board members (who oversee the business of the ISO of COSA)
- Discuss the ISO of COSA's business of the past year detailed in the Annual Report

Voting Attendees:

1. Delegates from registered COSA groups. While one person can represent more than one group, that delegate will have only one vote.
2. Current Board Members. If a board member represents a meeting, that delegate will have only one vote.

Non-Voting Attendees

Any COSA may attend the meeting in non-voting status. This may include board nominees, those who are presenting proposals, the delegate liaison and mentee, the office worker, and those who are interested in observing the discussion. These individuals must register in order to attend. They must set their display names to "Observer First Name."

Some COSA groups opt to split the delegate meeting between two delegates. These delegates must let the delegate liaison know their plan. They may switch who is voting once per day. The delegate who is not voting may remain in the Zoom room, as long as they change their display name to "Observer First Name."

Key Points

- **Delegate Sobriety Requirements:** It is suggested that delegates have a minimum of one year in the COSA program.
- **Delegate Meeting Participation and Voting:** While our Annual Delegate Meeting usually is open to any COSA to observe and listen, only one registered delegate per group/meeting or Intergroup will have voting privileges.
- **Delegate Business Items/Forms:** If you would like to recommend and present a change or new request to the ISO at the Annual Delegate Meeting, you must complete a Delegate Business Form and **submit it by the deadline**.

- **Technology.** Delegate meetings take place on Zoom. Delegates will need to be able:
 - Join a Zoom meeting
 - Change their display name
 - Mute and unmute themselves
 - Turn video on and off
 - Vote in polls

For those unfamiliar with Zoom, optional training will be provided by the delegate liaison. In addition, the delegate meeting Zoom room will open 30 minutes early for delegates to log in and practice. This is intended as a refresher and last minute support, not as a comprehensive training.

If you have any questions about the Annual Delegate Meeting registration, please contact the Delegate Liaison at delegateliaison@cosa-recovery.org
