ISO of COSA Agenda Item Form For Delegate Business

Directions:

- Use one form per subject.
 - You must complete the entire form for your agenda item to be considered.
 - You may submit this form to the board any time of year for consideration, but it **must be received by the International Service Organization of COSA no later than October 5** for it to be considered for discussion at the Annual Delegate Meeting.
- ☐ E-mail your completed form to delegateliaison@cosa-recovery.org and chair@cosa-recovery.org
- Please note: a representative must attend the Delegate Meeting to present this proposal if it secures a spot on the agenda. If no representative is present at the meeting the agenda item will not be considered.
 - If a meeting is submitting the agenda item, please provide the meeting number. You will find this number on cosa-recovery.org under Meetings.
 - If you have questions about how to fill out this form, please e-mail delegateliaison@cosarecovery.org and chair@cosa-recovery.org

ISO of COSA Agenda Item Form for Delegate Business

Name of Meeting/Group/Individual proposing Business Item:
(Please provide meeting number if applicable)

___Julana S._____

Contact Person/Person Who Will Present Item at Annual Delegate Meeting: (Please Provide Name, E-mail, & Phone Number)

___Julana S. julanashm@gmail.com 281-782-4352_____

Proposed Motion:
(Be precise; one sentence, if possible)

_**We will allow flyers and other information graphics for ISO-approved regional COSA events to be published in official COSA communications (COSA In The Know emails, The Balance, website for examples) during years without an official in-person ISO COSA Convention.**_____

Explanation of Issues and/or Purpose of Item:

_**The May 23, 2014 Delegate Meeting approved the proposal “We will not post flyers. We will only list basic information on who is offering the retreat, dates, where, and how to get in touch with the retreat/event organizers directly.”**

A fellowship-wide survey in 2024 overwhelmingly supported the option for “An

ISO-sponsored [in-person] convention every other year with ISO support for regional COSA events in the alternate years.” Allowing flyers/informational graphics to be published will be a significant way to fully implement the fellowship’s desire to support regional approved COSA events.

What spurred the creation of this proposal was one time in 2024 a regional event flyer was accidentally published in CITK. It was beautiful with a lovely graphic and layout. It was very effective and eye-catching! But, because of the 2014 proposal, it had to be pulled for the next CITK run.

How this Proposal Might Be Carried Out:

(Consider volunteer hours, volunteer or paid skills needed to implement)

_ISO-approved regional COSA events are already announced in CITK, The Balance, and on the website. Implementing this proposal only requires allowing flyers/graphics that are provided by the regional event organizers to be included. _____
